

## Andrew Wooten's AV Requirements

- Andrew will need an LCD with sufficient lumens (brightness) for the venue
- One lavalier microphone.
- One screen for PowerPoint presentation. (Andrew uses PowerPoint on his laptop computer, unless it is not appropriate due to audience size, length of program, or challenges with the venue.)
- A small table to hold his computer, the LCD projector and a few notes.
- Andrew doesn't need a podium. He usually walks around and into the audience.
- The meeting room should be fully lit.
- Andrew will bring his laptop plus a thumb drive with his slides loaded.
