

COMPANY OVERVIEW

How it started

S.A.F.E. was founded in 1984 and has evolved over the years into a multifaceted organization. The foundation for our programs are based on interviews and working with survivors of crimes and the criminals that commit those crimes, including rape and assault. Today S.A.F.E. works with associations, communities, government associations, and individuals. We provide workshops, seminars, and consulting on all safety and security issues. Our customizable programs fit the needs of each client.

Our Mission

S.A.F.E. is dedicated to reducing your exposure and liability and to providing you safe workplace practices. Our purpose is to reduce the possibility of dangerous situations through education. Our objective is to give you knowledge, awareness and empowerment.

About our services

Through trainings, seminars and workshops we educate associations, corporations, communities and government offices on how to reduce their exposure and liability. We provide practical advice and training on how to provide safe workplace practices while also instilling awareness and empowerment in individuals.
